FOR YOU – WE CERTIFY.

If a test is successful, a certificate and the right to use a test mark can be awarded.

FOR YOU – WE MONITOR.

TÜV Rheinland test marks document consistent quality. To ensure this, we carry out an initial inspection as well as repeated checks of your production sites.

THE MARK SHOWS THE DIFFERENCE.

You can see it at a glance. Our nationally and internationally recognized test mark says more than 1000 words. At any time with just one smartphone scan you can access essential certification program characteristics via QR code.

THERE ARE MANY GOOD REASONS.

- Confirmation of your quality claims by a neutral service provider
- External independent quality testing and assurance
- A clear aid to decision making and orientation for your customers

SIMPLE. FAST. TRANSPARENT. – AT ANY TIME.

Visit the TÜV Rheinland certificate database at www.certipedia.com and enter the ID shown on the test mark. There you will find the appropriate proof of quality.

AROUND THE WORLD.

Do your products need a “passport”? We will be at your side where you are or want to be successful – in just about any country in the world.
