

# Greaves Cotton Chooses TÜV Rheinland Inventory Training

Greaves Cotton Ltd. sought effective inventory planning and management training to reduce inventory cost while maintaining or improving service. They turned to TÜV Rheinland to provide their staff recognized expert vocational courses to help optimize expenditures and fulfill customer expectations.

## Basic Facts

Client	Greaves Cotton Ltd.
Timeframe	20 to 21 May 2016
Project Location	Pune, India
Main services	Inventory Planning and Management Training

### INITIAL SITUATION, REQUIREMENTS

Greaves Cotton sought expert advice and inventory planning and management training to identify areas of inefficiency and ineffectiveness. A leading manufacturer and marketer of diesel and petrol engines, generator and pump sets as well as construction equipment, Greaves Cotton is a diversified engineering company serving customers across India and the globe. In keeping with their „5 values, 1 way of life“ philosophy, we provided customized training according to corporate commitment to responsibility, respect, passion for excellence, transparency, and integrity. Our two-day seminar from 20 to 21 May 2016 provided critical insight into these categorical priorities.

### SOLUTIONS, RESULTS

Our project-based training was carried out by an expert instructor highly qualified in Indian industrial and consumer environments. We provided critical information in the

following subjects:

- Inventory management
- Selective inventory control techniques
- Economic ordering quantity and new standards modification
- Q system
- P system

Our comprehensive curriculum provided this distinguished customer with focused courses in:

- Inventory balance & turnover
- Accurate planning & organized warehousing
- Inventory tracking
- Repeat customers and efficient employees
- Expeditious and cost-cutting advantages

According to company feedback, seminar participants were more than satisfied with our services.

#### BENEFITS FOR THE CLIENT

Our training helped this particular client to better deliver quality products and services with effective and cost-efficient business strategies

#### DID YOU KNOW?

*Pune is the second largest city in the Indian state of Maharashtra and the seventh most populous city in the country!*
