

Compliance Management – On-Site Check

Partner with TÜV Rheinland for a check of your compliance program. Upon completion, you will receive a TÜV Rheinland short audit report with comments and recommendations for contents-related and organizational implementation.

EXPERTISE AT YOUR SIDE

Today, the compliance with a large number of external and internal rules and regulations forms the framework for responsible business practices and ensures sustainable corporate success. A robust compliance management system is essential to assess risks and avoid compliance breaches. It enables you to prevent damage to your image or to customers.

As a company, you need a compliance solution that takes a holistic look at various areas and eliminates risks. With TÜV Rheinland Compliance, companies of different sizes can obtain a comprehensive picture of the effectiveness of their compliance management system.

OUR SERVICES: ASSESSMENT OF YOUR CURRENT COMPLIANCE STATE INCLUDING SHORT AUDIT REPORT

Entrust our TÜV Rheinland experts with the analysis of your compliance organization if you would like to gain an independent external perspective. During the on-site compliance check, TÜV Rheinland compliance specialists will conduct an in-depth analysis at your company and systematically assess the compliance measures that have been implemented, the existing compliance organization and the compliance culture. The on-site compliance check is geared towards managing directors, boards of directors and persons responsible in the areas of compliance, legal, auditing, human resources, organization, IT, and risk management.

THE CHECK PROCESS

1. Request a quote directly via **our contact form** or call us at +49 800-888 2378.
2. Once your order has been placed, a compliance specialist will perform the analysis.
3. You will then receive a short audit report on the current state of your organization.
4. The compliance specialist conducts a debriefing.

„The compliance analysis is well structured, very practice-oriented and sound. We were very impressed by the approach.“

Dr. Bernd W. Pill, Group General Counsel, Kühne+Nagel
