Hereafter referred to as "TRIS"

(Version 10th November 2023)

1. General / Scope of Validity

1.1 The following terms and conditions apply exclusively to all purchases, products, and services – hereafter referred to collectively as “services” – commissioned by TRIS.

1.2 TRIS does not recognize any terms and conditions of the company being commissioned to perform the services by TRIS (hereafter referred to as “the Company”) that contradict these Purchasing Terms and Conditions in full or in part unless TRIS has expressly agreed to their validity in writing.

1.3 These General Purchasing Terms and Conditions of TRIS will still apply if TRIS unconditionally accepts services knowing that the company has contradictory terms and conditions.

2. Scope of services

2.1 The scope of the services to be performed by the company is determined in accordance with the TRIS order from or the individual agreement in question.

2.2 The Company is responsible for the supervision, monitoring and inspection of the performance of services, as well as for organisational integration into TRIS’s operating process.

2.3 The Company confirms that it has received detailed information on the nature and scope of the service agreed to in the assignment and therefore it is not possible for any additional receivables to be claimed as a result of a lack of knowledge.

3. Delivery of goods, packaging and transportation

3.1 The delivery will take place to the address stated in TRIS’s order. If no address is stated in the order, the delivery will be made to the following address: TÜV Rheinland Inspection Services (Pty.) Ltd., 4th Floor, 138 West St., Sandton, 2196.

3.2 The goods are to be properly packed and identified and must reach their destination by the most suitable means of transportation possible in a defect-free state.

3.5 The returning of the packaging material will take place at the expense and risk of the Company.

This contractual penalty is limited to 5% of the order total of the order in question for each breach of contract on the part of the company in connection with the stipulations in clause 4.1. The contractual penalty will be due immediately without any reminder being necessary and without any effect on any of TRIS’s other legal rights, including the right to require the performance of the agreement or compensation from the Company. The contractual penalty will be offset against any claims to compensation from TRIS.

4.3 As soon as the company knows or does not know in a grossly negligent manner that the deadline for the service cannot be met at all or will be delayed or that the service will not be performed in accordance with the order, it must inform TRIS of this immediately in writing, stating the reasons for this. Without any impairment of TRIS’s rights as a result of this breach of contract, the contractual parties will decide together whether and how the situation that has occurred can be resolved to the satisfaction of TRIS.

4.4 Agreed service times or service periods are binding.

4.5 Irrespective of this, the company will inform TRIS in writing of the precise actual service date in any case a minimum of 3 business days before the performance of the service. The information must include the order number.

4.6 TRIS will be entitled to postpone the announced service date within a period of 1 day from the time when the information was received from the Company by up to 48 hours, without this postponement being grounds for any additional payment obligation on the part of TRIS.

4.7 If, regardless of the reasons, TRIS asks for the time of performance of the service to be postponed, the Company must store the goods or materials to be delivered properly packaged, and store them, insure them, and identify clearly that they are intended for TRIS, at no cost to TRIS.

(b) immediately after it is discovered, if the error or defect is only discovered later, e.g. when unpacking, when installing, or at the time when the product is used for the first time.

TRIS may decide at its own discretion whether the suggested amendments should be made. The amendment will be performed after written notification from TRIS.
